DISTRICT OF MASSACHUSETTS**

SECURITIES AND EXCHANGE
COMMISSION,

Plaintiff,

v.

NAVELLIER & ASSOCIATES, INC., and
LOUIS NAVELLIER,

Defendants.

Civil Action No. 17-cv-11633-DJC

**SECOND ERRATA TO DEFENDANTS' MEMORANDUM IN OPPOSITION TO
PLAINTIFF'S MOTION FOR ENTRY OF FINAL JUDGMENT (DKT#277)**

In editing Defendants' Opposition To Plaintiff's Motion For Entry of Final Judgment to get under the 20 page limit, I inadvertently deleted Defendants' alternate calculation for disgorgement, if any, of the \$14 million in goodwill.

If any disgorgement of goodwill is allowed (it shouldn't be) it should not exceed \$1,624,000, i.e., of the \$1,479,682,738 in goodwill accounts "transferred," \$684,867,320 were Allocator and Premium accounts, who became clients during the applicable August 10, 2011 through September 14, 2012 period. Of the \$684,867,320, \$239,441,092 were Allocator and Premium accounts that had been clients for less than a year (as of the September 30, 2013 sale),

so a 50% discount should be applied to them, resulting in \$119,720,546 of “tainted” accounts. There were \$207,864,757 that had been accounts for a year, so at least a 75% discount should be applied to them, resulting in \$51,966,189 in “tainted” goodwill, for a total of \$171,688,735 in account value tainted by “false” marketing (there were \$237,561,469 in accounts that had been clients for two years or more so they were 100% discounted.) See attached schedule. Thus, the “tainted” \$171,688,735 is 11.6% of the \$1,479,682,738 goodwill transfer. Eleven point six percent of \$14 million is \$1,624,000, which would be the maximum amount of goodwill allocable to “false” marketing.
